RE: DEPOSIT # 2704
WHITE COVE, DIGBY NECK, NOVA SCOTIA

Superintendent:

I strongly object to the construction of a Marine Terminal at White Point, Digby Neck. I feel this proposed terminal would cause problems to inshore fishing and recreational craft, all the way from Sandy Cove to Petite Passage.

There is no "safe harbour" for ships along that coast.: a storm-damaged ship could leak oil, creating a disaster for the Bay of Fundy.

Sincerely,

I share [redacted] concerns, and I would like to add my voice to those opposed to constructing a terminal at White Point:
