CV for Rob Kennedy - ERCB

October 22, 2008

Rob's career with the EUB/ERCB spans almost 11 years. During the first three years, his roles consisted of policy and regulation development, regional issues, hearing participation and non-routine facility application processing. Currently Rob is in the Public Safety/Field Surveillance Branch. In the past 7 and 1/2 years, Rob has been in the Field Surveillance Branch beginning with the role of Field Centre Team Leader for the Midnapore Field Centre and since 2005 as one the Field Operations Leaders responsible for the management and leadership of operations of the nine Field Centres in the province. Additionally, Rob has responsibilities in the areas of enforcement, safety and incident investigations.

Prior to employment with the EUB, Rob was employed in a variety of roles at a large sour gas processing plant including environmental and corrosion related duties with some maintenance and operations, over the course of approximately 10 years.

Rob attended the University of Calgary and graduated with a Bachelor of Arts degree and later a Bachelor of Laws degree. Rob is currently a non-practicing member of the Alberta Law Society.

Rob lives on a small farm near Cremona, Alberta with his wife and two young daughters.
