Dear Mr. Dickson

Further to our recent discussion regarding the Canadian Malartic Corporation Hammond Reef Gold Project, please accept this letter as confirmation that Atikokan Fire Rescue would be pleased to enter an agreement to extend fire protection and fire suppression training to the mining site located 25 km off Hwy. 622, 48 km north of Atikokan.

Atikokan Fire Rescue had an agreement with Osisko for fire services, and training in the past and Atikokan Fire Rescue looks forward to working with Canadian Malartic Corporation.

Sincerely

Graham Warburton
Fire Chief/Chief Building Official
