## HAMMOND REEF GOLD PROJECT RESPONSE TO COMMENTS ON FINAL EIS/EA

---

### COMMENT – A-4

**Source:** Canadian Environmental Assessment Agency

---

#### Summary of Comment

The table lists a permit under Section 127 of CEPA to deposit waste in Canadian Marine Waters. This does not apply to freshwater so is not relevant to this project.

#### Proposed Action

Please acknowledge.

#### Reference to EIS

EIS Chapter 10: Table 10-1 Summary of Permitting Requirements

---

#### Response

Thank you for your guidance. Canadian Malartic Corporation understands that the Hammond Reef Gold Project will not require obtaining a permit for depositing waste in Canadian Marine Waters.
