T(2)-16		Commitment Registry	14	EIS Section 9	The EIS Guidelines state the summary of commitments shall include a table summarizing the timing and responsibility for each of the actions for which a commitment has been made. Since the issuance of the EIS in December 2013, further commitments were made by the proponent that must be included in Table 9-1 of the EIS. Also, the table must identify to whom the proponent will report for each action for which a commitment has been made.	<ol style="list-style-type: none"> <li>1. Update Table 9-1 with all additional commitments made since the issuance of the EIS in December 2013, including the timing and responsibility for each of the actions.</li> <li>2. Provide a new column in the updated Table 9-1 to identify to whom the proponent will report for each action.</li> </ol> <p><b>Response:</b> The Commitments Registry has been updated to include all commitments made since the submission of the Version 2 EIS/EA in December of 2013. An additional column has been created to identify the appropriate agencies to which CMC will report for each commitment, where applicable</p>
