Dear Mr. Martin,

RE: Conformity Review - response

Prodigy Gold is pleased to submit our response to the Canadian Environmental Assessment Agency (the Agency) conformity review of March 9, 2017. Prodigy has undertaken a thorough response to the Agency's comments and concerns, ensuring that our response ensures that the global EIS meets the requirements of the EIS Guidelines.

We have placed our response materials on the following FTP site for ease of downloading and to enable reviewers to quickly ensure that Prodigy has undertaken what was requested. Please note that you will have to utilize your username/password as communicated to you prior.
