Dear Ms. Griffiths:

I am writing to inform you of the upcoming community consultations CN is undertaking throughout Halton Region this fall.

From September 18 to October 31, CN will be consulting with Halton Region residents about the proposed mitigation measures to reduce the effects of the Milton Logistics Hub on communities and the environment, as well as potential community benefits that the Project could provide to Milton and Halton Region. Residents will be able to learn more about the Project and provide input by:

- Attending a small group meeting (by RSVP)
- Attending an open house (drop-in)
- Reading the discussion guide and complete a feedback form online at [cnmilton.ca](http://cnmilton.ca) or provide a written submission by email to [milton@cn.ca](mailto:milton@cn.ca) or mail.

A full list of community consultations can be found below.

CN will provide the Review Panel with a summary of the meeting/open house sessions to inform regarding our ongoing consultation efforts.

Should the panel require any further information, please do not hesitate to contact us.

Sincerely,
