VOLUME 2 APPENDIX C
LAND STATUS, TENURE AND PROJECT REQUIREMENTS MAPS
The figures in this appendix are maps described in Chapter 11.3 Land Status, Tenure and Project Requirements. These maps provide the following information:

Figure 1 Current ownership overview:
Current ownership overview in the Project activity zone with estimated fee simple tenures, statutory rights-of-way and temporary tenures required for the Project. (1:275,000)

Figure 2 Current ownership (Maps 1 to 9):
Current ownership in the Project activity zone with estimated fee simple tenures, statutory rights-of-way and temporary tenures required for the Project. (1:50,000)

Figure 3 Forestry Tenures:
Third party forestry tenures within the Project activity zone. (1:300,000)

Figure 4 Guide Outfitter Areas:
Third party guide outfitter tenures within the Project activity zone. (1:300,000)

Figure 5 Land Act Interests:
Third party Land Act interests within the Project activity zone. (1:275,000)

Figure 6 MEMNG Tenures:
Third party Ministry of Energy, Mines and Natural Gas tenures within the Project activity zone. (1:300,000)

Figure 7 Oil & Gas Tenures:
Third party oil and gas tenures within the Project activity zone. (1:300,000)

Figure 8 Recreation Tenures:
Third party recreation tenures within the Project activity zone. (1:300,000)

Figure 9 Trapline Areas:
Third party trapline tenures within the Project activity zone. (1:275,000)

Figure 10 Water Act Tenures:
Third party Water Act tenures within the Project activity zone. (1:300,000)
Map Notes:
1. Datum: NAD83
2. Projection: UTM Zone 10N
3. Base Data: Province of B.C.
4. Property data obtained from Integrated Cadastral Information Society (ICIS) and updated to reflect BC Hydro's current property ownership records.
5. Property boundary locations are best available but should be considered approximate.
6. For clarity the linework is displayed thicker than it actually is. This map is to be used for display purposes only, not to determine property impacts.

Construction of the Site C Clean Energy Project is subject to required regulatory approvals including environmental certification.

Legend
- Estimated Fee Simple Tenure
- Estimated Permanent Statutory Right-of-Way
- Estimated Temporary Tenure
- BC Hydro Owned Land (Leased)
- BC Hydro Owned Land
- Surveyed Crown Land
- Private Land
- Existing Road
- Existing Highway
- Existing Railway
- Protected Areas, Provincial Parks, Regional Parks, and Ecological Reserves
- Indian Reserve
