

**Taseko Mines Limited**

**New Prosperity Gold-Copper Mine Project**

**APPENDIX 2.5.1-D      ENGAGEMENT EFFORTS**

Date	Taseko Representatives	First Nation Representatives	Nature of Contact	Key Topic	Summary
12/9/2010	Russell Hallbauer , President and CEO	Chief Marilyn Baptist, Xeni Gwet'in Chief Francis Laceese, Tl'esqox Chief Ivor Meyers, Yunesit'in Chief Percy Guichon, Tsi Del Del Chief Joe Alphonse, Tl'etincox T'in Chief Bernie Elkins, Esdilah	Letter to TNG Chiefs	Request to meet with TNG Chiefs	The letter indicates Taseko's willingness to meet with TNG chiefs to discuss a path forward.  Taseko enquires if chiefs are willing meet to exchange views and ideas
1/27/2011	Russell Hallbauer , President and CEO	Chief Marilyn Baptist, Xeni Gwet'in Chief Francis Laceese, Tl'esqox Chief Ivor Meyers, Yunesit'in Chief Percy Guichon, Tsi Del Del Chief Joe Alphonse, Tl'etincox T'in Chief Bernie Elkins, Esdilah	Letter from TNG Chiefs	Acceptance of Taseko's invitation to meet	TNG Chiefs state their opposition to the Project and quote findings of the July 2, 2010 Federal Panel Report.  Chiefs question the sincerity of Taseko's December 9, 2010 letter but indicate that they are willing to meet provided the meeting is productive, beneficial and respectful. The Chiefs request a detailed agenda of items to be discussed.
2/3/2011	Russell Hallbauer , President and CEO	Chief Marilyn Baptist, Xeni Gwet'in Chief Francis Laceese, Tl'esqox Chief Ivor Meyers, Yunesit'in Chief Percy Guichon, Tsi Del Del Chief Joe Alphonse, Tl'etincox T'in Chief Bernie Elkins, Esdilah	Letter to TNG Chiefs	Arrangement of meeting between Taseko and TNG Chiefs	Taseko outlines its availability to meet with TNG Chiefs and suggests general topics as agenda items: <ol style="list-style-type: none"> <li>1. Why has Taseko been able to find a new alternative?</li> <li>2. Why did Taseko choose to announce the new development publicly without engaging with First Nations?</li> <li>3. What challenges does Taseko face as a company</li> </ol>
2/8/2011				Meeting date between Taseko and TNG representatives set	A third party secures commitment from Joe Alphonse that he and chief Marylyn Baptist are willing to meet with Taseko at Hills Resort near 108 Mile on February 15, 2011
2/10/2011	Russell Hallbauer , President and CEO	Chief Marilyn Baptist, Xeni Gwet'in Chief Francis Laceese, Tl'esqox Chief Ivor Meyers, Yunesit'in Chief Percy Guichon, Tsi Del Del Chief Joe Alphonse, Tl'etincox T'in Chief Bernie Elkins, Esdilah	Letter from TNG Chiefs		TNG chiefs feel that Taseko's letter dated February 3, 2011 does not respond to their previously asked questions.  The TNG Chiefs decline Taseko's offer to meet on February 15, 2011 as they question Taseko's sincerity in offering to engage with TNG and express concern over the intentions of the proposed meeting, stating that "the approach is condescending".
2/14/2011	Russell Hallbauer , President and CEO	Kalin Brockhaus, TNG Mining, Oil & Gas Coordinator	Email from Taseko to TNG Mining Coordinator	Meeting with TNG chiefs	Email expresses disappointment that Chiefs have chosen not to meet with Taseko. Taseko requests that Kalin convey the following message to Chiefs:  <i>"we are as a Company and myself personally (are) completely committed to developing a sincere, open, and transparent dialogue between the Tsilhqot'n Nation its Chiefs and all the members of its communities, and, if my letter to Chiefs of February 3<sup>rd</sup> 2011 did not give them comfort in that matter, I apologize . I hope the Chief's reconsider this matter and that we can arrange another meeting in the not too distant future."</i>
2/24/2011	Russell Hallbauer , President and CEO	Chief Marilyn Baptist, Xeni Gwet'in Chief Francis Laceese, Tl'esqox Chief Ivor Meyers, Yunesit'in Chief Percy Guichon, Tsi Del Del Chief Joe Alphonse, Tl'etincox T'in Chief Bernie Elkins, Esdilah	Letter to TNG Chiefs	Taseko willingness to meet with TNG Chiefs	Taseko indicates that they would still welcome the opportunity to meet with TNG Chiefs to have a sincere and open discussion regarding the re-design of the Prosperity Project. Taseko remains committed to discussing the project with the TNG.

Date	Taseko Representatives	First Nation Representatives	Nature of Contact	Key Topic	Summary

Friday, August 10, 2012 Note that this table is intended to capture the more significant events with First Nations Leadership and should not be considered as a complete diary of all engagement efforts, phone calls or individual discussions.

Date	Taseko Representatives	First Nation Representatives	Nature of Contact	Key Topic	Summary
10/13/2011	Katherine Gizikoff, Director, Environment and Government Affairs	Chiefs Alphonse and Baptiste	Letter sent by email from JP Laplante to Gizikoff	2011 Exploration Program	In response to Gizikoff's October 5 letter, TNG state: TNG have not received rationale from MEM for their decision to issue NOW. Authorization is unlawful; any reliance placed by TKO on such authority is at company's risk. TNG considering legal challenge
10/14/2011	Katherine Gizikoff, Director, Environment and Government Affairs	Chiefs Alphonse and Baptiste	Letter dated Oct 13 sent by email from JP Laplante to Gizikoff	2011 Exploration Program	In response to Gizikoff's October 5 letter, TNG state: TNG have not received rationale from MEM for their decision to issue NOW. Authorization is unlawful; any reliance placed by TKO on such authority is at company's risk. TNG considering legal challenge.
10/26/2011	Russell Hallbauer, President	Chief Hank Adams, Patrick Harry	Meeting	New Prosperity	Discussion of previous panel's findings and proposed process for New Prosperity
11/10/2011	John McManus, Sr. VP Operations	Chiefs Marilyn Baptiste and Joe Alphonse	Letter	2011 Exploration Program	Letter advising Chiefs of our intent to start exploration work and offer to provide more information.
01/18/2012	John McManus, Scott Jones, Katherine Gizikoff, Sonia Meili, Greg Smyth (KP)	TNG Chiefs and JP Laplante, TNG Mining, Oil and Gas Coordinator	Meeting	Exploration Program	Confidential
01/19/2012	John McManus, Scott Jones, Katherine Gizikoff, Sonia Meili, Greg Smyth (KP)	TNG Chiefs and JP Laplante, TNG Mining, Oil and Gas Coordinator	Meeting	Exploration Program	Confidential
02/01/2012 - ongoing	Katherine Gizikoff, Director, Environment and Government Affairs	J.P. Laplante, TNG Mining, Oil and Gas Coordinator, Chief Marilyn Baptiste	Emails, phone calls	Exploration Program	Ongoing dialogue regarding amending locations of test sites and environmental monitoring (see separate consultation file for records).
04/11/2012	John McManus, Sr. VP Operations	TNG Chiefs and JP Laplante, TNG Mining, Oil and Gas Coordinator	Letter by fax and mail	New Prosperity	Offer to engage to discuss new project environmental effects and effects on aboriginal rights or title. Request for a contact person to enable Taseko to work with communities.
04/12/2012	John McManus, Sr. VP Operations	Chief Hank Adams, Canoe Creek	Letter by fax and mail	New Prosperity	Offer to engage to discuss new project environmental effects and effects on aboriginal rights or title. Request for a contact person to enable Taseko to work with communities.
04/12/2012	John McManus, Sr. VP Operations	Chief Fred Robbins, Esketemc	Letter by fax and mail	New Prosperity	Offer to engage to discuss new project environmental effects and effects on aboriginal rights or title. Request for a contact person to enable Taseko to work with communities.
04/24/2012	John McManus, Sr. VP Operations	JP Laplante, TNG Mining, Oil and Gas Coordinator	Letter by email	New Prosperity	Responding to Taseko's letter of April 11. Chiefs see no reason or benefit to meet with Taseko.
04/30/2012	Katherine Gizikoff	JP Laplante, TNG Mining, Oil and Gas Coordinator	Letter to JP Laplante by email, fax & regular mail	New Prosperity	Taseko remains fully committed to constructive engagement with the TNG Chiefs. Assurance that Taseko will share TNGs comments with federal officials and will acknowledge in the EIS any and all information provided.
05/14/2012	Katherine Gizikoff	Tsilhqot'in National Government	Letter from TNG to Taseko re: EIS input via fax & email	New Prosperity	Chiefs object to Taseko's refusal to engage in meaningful exchange of views prior to submitting the EIS. Provide comments on New Prosperity including: preserving Fish Lake does not address Tsilhqot'in concerns, key issues list in Project Description omits reference to Little Fish Lake or 'Nabas' area, new proposal is worse than previous, New Prosperity does not address impacts on Tsilhqot'in culture and rights, including rights to hunt and trap, and due to perception of contamination, risk of mine expansion on Fish Lake, and monetary compensation cannot replace cultural loss.
05/25/2012 (received 08/09/2012)	John McManus, Sr. VP Operations	Janes Freedman Kyle	Letter from JFK to CEAA & Taseko via email	New Prosperity	Requesting clarification of how Taseko intends to consult with Esketemc in order to address potential impacts on Esketemc's title and rights. States there have been no meaningful discussions with Taseko, nor the Federal or Provincial Crown. (Note: this letter was not received but when referred to in subsequent letter exchanges, a copy was requested and delivered on August 8).
06/04/2012	John McManus, Sr. VP Operations, Katherine Gizikoff	JP Laplante, TNG Mining, Oil & Gas Coordinator	Letter to JP Laplante by regular mail	New Prosperity	Thanks for comments submitted May 14. Confirmation that comments will be considered in the EIS. Taseko remains willing to meet with Chiefs.
06/08/2012	Katherine Gizikoff	JP Laplante, TNG Mining, Oil & Gas Coordinator	Letter from TNG to Taseko via fax & email	New Prosperity	Correction by TNG that the Chiefs would be willing to meet. Request confirmation from Taseko that Taseko would attend a meeting with the understanding that one potential outcome of the meeting could be a decision by the company that the project would not proceed.

Friday, August 10, 2012 Note that this table is intended to capture the more significant events with First Nations Leadership and should not be considered as a complete diary of all engagement efforts, phone calls or individual discussions.

<b>Date</b>	<b>Taseko Representatives</b>	<b>First Nation Representatives</b>	<b>Nature of Contact</b>	<b>Key Topic</b>	<b>Summary</b>
<b>06/27/2012</b>	John McManus, Sr. VP Operations	Janes Freedman Kyle	Letter from Esketemc legal counsel by fax	New Prosperity	Requests a copy of the draft EIS that was provided to CEAA. Note that there was no response to their May 25 letter and no information on mitigation or environmental management plans. [ed note: no correspondence from Esketemc on May 25 has been received].
<b>08/01/2012</b>	John McManus, Sr.VP Operations	Janes Freedman Kyle	Letter from Esketemc legal counsel by fax	New Prosperity	Concerned about lack of engagement and consultation prior to submitting draft EIS to CEAA. Concerned draft EIS fails to address potential and cumulative impacts on Esketemc's rights and title, proposes conducting a TUS to inform consultation and accommodation discussions, suggests a consultation process be jointly developed prior to finalizing the EIS, and request appendices which were missing in draft EIS.
<b>08/08/2012</b>	McMillan, on behalf of Taseko	Janes Freedman Kyle	Letter from M. Harmer of McMillan on behalf of Taseko to Janes Fredman Kyle for Esketemc, via email	New Prosperity	Responding to August 1 letter; explains administrative purpose of draft EIS submission to CEAA; no change to transmission line; reassurance that final EIS with appendices will be provided to Esketemc; and, that Taseko is willing to meet with Esketemc. Also notes that we have no record of May 25 letter from Esketemc.
<b>08/10/2012</b>	John McManus, Sr VP Operations	Janes Freedman Kyle	Letter to McMillan Draft EIS	New Prosperity	Request for all information Taseko proposes to include in the EIS respecting measures which Taseko thinks may address impacts on Esketemc for review and comment, prior to submitting the EIS. Further requests that a meaningful consultation by which dialogue can occur with Taseko respecting the development of potential mitigation and accommodation be established to guide consultations on the EIS.
